

**Cordjia Capital Projects Group
Assists Clients in Receiving
Over \$270,000 from Efficiency Maine**

As an Efficiency Maine Qualified Partner, Cordjia Capital Projects Group has assisted our clients in applying for and receiving over **\$270,000** in cash incentives. We work closely with our clients and Efficiency Maine to determine eligibility and obtain pre-approval before we undertake the energy savings investigation or implementation. Below is a summary of the incentives our clients have received, to date, through this process.
